DISCOVER LISBON

Lisbon, the capital of Portugal, is a city that enchants with its rich history, stunning architecture and unique atmosphere. Known as the "City of Seven Hills".

It offers spectacular views from its belvederes, such as Santa Catarina or Senhora do Monte. Monuments such as the Belém Tower and the Jerónimos Monastery, both UNESCO World Heritage Sites, hark back to the Age of Discovery, while the historic Alfama neighbourhood, with its narrow streets and imposing São Jorge Castle, transports visitors back in time.

Lisbon's gastronomy is one of the city's great attractions. The emblematic pastéis de Belém, codfish prepared in countless ways and fresh fish dishes are indispensable for those who want to explore the local flavours. You can't miss a glass of ginjinha, the city's traditional liqueur. Lisbon is also home to fado, traditional music recognised as Intangible Heritage of Humanity, which can be enjoyed in typical houses in Bairro Alto or Alfama. With a unique light that bathes the city at dusk, Lisbon combines historic charm with modernity. In addition to the traditional neighbourhoods, the city surprises with modern areas such as Parque das Nações, ideal for strolling along the Tagus River. Whether you want to explore monuments, savour typical dishes or simply enjoy its warm hospitality,

Lisbon is a destination that will leave you with unforgettable memories.
